

# Asia, spreading from home-made cuisines

Asia is the largest continent that is from Japan in the east to Syria in the west . There are many **differences** in culture within the same continent, yet there are many **similarities** because of it. In this event, let`s **feel** Asian cultures by “COOKING” **home-made food!** We are hoping that this experience would **extend** your knowledge about Asian countries!

## What you can do

- 1 Cook Asian cuisines with International students from Asia
- 2 Learn cultures in Asian Countries !
- 3 Go grocery shopping to Prepare, to cook, and to eat !
