volunteer club

Tree

Welcome to volunteer club **Tree** !

Tree is an official volunteer club of Meiji University. We are doing volunteer activities, such as participation of local events, collecting ecocaps to save the children in developing countries, supporting in reconstructing quake-hit areas, and etc.

We are welcoming new members!

People who are willing to

- try new things.
- work as volunteer.
- make friends.

Come and join us!

We have many exciting events.
