

# Meiji University ASEAN Center A New Academic Bridge linking ASEAN and JAPAN!

Meiji's "Active Leaders Development Program Focusing on ASEAN - Japan Literacy" was selected by MEXT (Ministry of Education, Culture, Sports, Science and Technology) as one of the representative programs for the FY 2012-2016 Re-Inventing Japan Project.

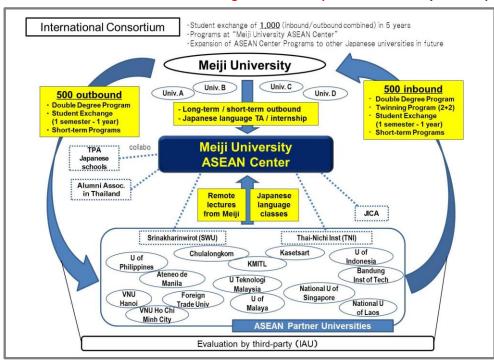

**Meiji University ASEAN Center** is expected to become a major hub, fostering a bridge of academic and human resources, linking Japan and the Southeast Asia regions.

# "Active Leaders Development Program Focusing on ASEAN - Japan Literacy"

#### Outline of the Program

Joint Educational initiatives collaborating with ASEAN top universities in Meiji University ASEAN Center

#### Aim of the Program

To develop, in both Japan and ASEAN, the leaders with empowerment in practice and literacy of Japan/Southeast Asia who can be the bridges of the nations at fields such as business, journalism, architecture, NGO, government, etc

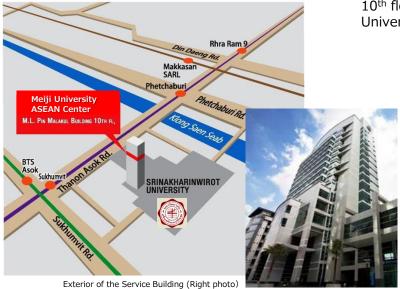

※ For details regarding the program, Please refer to the following website.
