Thai-Nichi Institute of Technology : TNI

Program description

This special spring (in Japan, summer in Thailand) session consists of a two week is designed for students of business administration who want to learn the cross-cultural management and Thai culture and language. It has been designed in response to request from a few Japanese universities only.

Dates: March 8th –March 20th, 2015

The aim of the program is to provide cross-cultural management, Thai culture and language to develop all aspects of cross-cultural perspectives.

Program highlights include:

- ❖ 1 hour for orientation
- ❖ Classes for Thai culture and language
- ❖ Study mission, related where possible to include a full day trip to factory
- ❖ Conversation partners and student program assistants
- ❖ Farewell ceremony for presentation of certificates
