

Critical Discussion (秋学期)		フーパー, ドナバン A.	
1 単位	秋学期	2 年次	
1. 授業の概要・到達目標 This course will focus more on the elements of discussion. The course will focus on students being able to express their opinion and supporting that opinion with clear, logical reasons. During the course the students will be expected to give small speeches on selected topics, ending with a main presentation and leading a class discussion at the end of term. The main idea of the course will be to increase students' confidence in expression and supporting their opinions in front of others
