Impression

- It's a wonderful experience to do anything in Davis.
- Time flies, as we had expected.
- American was very big. eg) food, land, people etc
- UC Davis is huge and it's nice to study agriculture.
- Teachers who taught us were very kind and nice.
- ONE THING that we think is we had a great time there!

It was so awesome!!!!!!

Advices for YOU

- It's very convenient for you if you have a laptop
- Before visiting your host family, you should contact or email them.
- You might need a lot of sheets of paper like looseleaf.
- Be careful about overusing money
- **BE CONFIDENT!!!!!!!!!!**
