Activities

We play GO, which is a traditional board game in East Asia.

The aim of the game for two players is to surround more territory than the opponent. It might sound very childish; however, it attracts a lot of players all the better for the simple rule. If you have never played this game before, why don't you come to see us and try to play it?

Also, we are planning to have a training camp in South Korea next summer! You can enjoy both GO and sightseeing at the same time.

We look forward to seeing you!

Activity Place

Clubroom 305, Student Club Rooms-A, Izumi

Schedule

Mon-Fri 12:30~13:30

*It is not required to attend everyday

Free Space

Beginners are welcome! One fourth of students are beginners.

Also, we include several foreign students from South Korea and China.

Activities

The railroad research club is a place, where people who have interest in mainly railroad, but also other transportation and traffic, gather to have fun sharing one's interest with each other, and together we enjoy model railroading, playing train simulators, and more. The most exciting event of all, is the train travels we go together three times a year. We go somewhere in the Kanto-Koshin region in spring and winter, and somewhere in Japan in the summer. (We went to Chiba, Takamatsu in Kagawa last year.) We also publish "The Coupler", our doujinshi about railroad every year.

Activity Place

Classroom of either Izumi campus or Ikuta campus.

Schedule

Twice a month, usually on a Wednesday or a Saturday.

Free Space

If you have interest in Japanese trains or foreign trains, like taking photo of trains or going on train travels, like researching about rolling stocks or railroad lines, or have interest in anything else railroad related, as long as you have love and passion for railroad, you are highly welcome! If you are a railroad fan, the railroad research club is the best place to enjoy your university years, here at Meiji University.

Campus

Surugadai

Number of members

20~50

【Activities】 Ice Hockey

Participation in the Spring and Autumn Hobbyist League, Summer Cup, Summer and Winter Training Camps, and many other events.

【Activity Days】

Once a week, late-night practice (usually starting from 23:30 to 26:00).

※During the tournament period, we have about 5 games over approximately 2 months.

【Activity Locations】

(Practice) Jingu, Edogawa, Minamifunabashi Ice Rinks

(Tournaments) Higashifushimi, Higashiyamoto Ice Rinks

【Appeal Points】

Meiji Owls is a team that was formed with the desire to create a place for playing ice hockey at Meiji University. During hours without train service, team members provide transportation to ensure that even those without cars can participate in practices and games. Additionally, to reduce the financial burden on players, we actively incorporate practice matches and joint training sessions.

【Other Information】

Beginners and those with **gaps in experience** are welcome, and many members also belong to other clubs. We are recruiting members from the sophomore year and above!

Female players/managers are also welcome to join.
