Dear all students,

Meiji University

Advisory of cancelling international travel due to the outbreak of COVID-19
(Second Report)

The areas with level 2 (Avoid non-essential travel) or higher travel alert issued by the Ministry of Foreign Affairs of Japan are expanding. Regardless of where you plan to travel, we advise all students to refrain from travelling overseas at this moment.

Meiji University has announced to change the AY 2020 Academic Calendar on March 17(Tue). Due to this change, the classes will commence from April 22(Wed), and guidance period provided by each faculty and graduate school will precede this.

In preparation for spring semester, we advise students to pay attention to their own health and avoid unnecessary outings to prevent the infection from spreading.
