Application Guidelines
for Meiji University International Students Incentive Scholarship Program
for 2022 Admission

1. Objective

Meiji University International Student Incentive Scholarship Program (hereinafter referred to as “the scholarship”) is a financial assistance program to provide an opportunity for young competent students with financial difficulties (from target countries/regions) to study at Meiji University. Students honored with the scholarship are expected to take part in strengthening the relationship between Japan and their home country.

For 2022 Admission program, Meiji University set the target countries/regions for the program as follows; The countries that are the members of ASEAN, and are listed on “The DAC List of ODA Recipients”

Cambodia, Indonesia, Lao P.D.R., Malaysia, Myanmar, the Philippines, Thailand, and Vietnam

2. Eligibility

To apply for the scholarship, all applicants must:

(1) Have a citizenship of the target countries or regions mentioned above.

Applicants with dual nationality are eligible only if ALL nationalities are from of the target country/region.

(2) Resides in the target countries/regions at the time of the application (Except students who are enrolled in Meiji University as a MEXT scholar).

(3) Obtains an academic grade point total of 2.30 or above in their most recent one year of study (see conversion chart below)

6. Application Deadline

The same date as the application deadline of the admission exam you plan to apply.

*Please NOTE that all application documents for the scholarship must be sent separately from admission application due by the admission deadline specified by each school.

7. Selection Procedures

- Initial screening: Document screening
- Secondary screening: Online Interview screening.

8. Result Announcement

The results of the scholarship screening will be sent together with the notification of acceptance and admission documents by the School / Graduate School.

If ever there is a change in the announcement schedule, information will be
provided to the applicants beforehand. Please be aware scholarship screening results will only be notified to students who passed the admission exam.

9. Important Notes

(1) The application for the scholarship and admission exams is different. You should take necessary actions for each application accordingly.

(2) Grantees will be informed individually after a careful screening of each application. Waiver percentage for expenses mentioned on item 4-(3), and the amount of monthly stipend on item 4-(4) will be determined and informed to each grantee by Meiji University.

(3) The Scholarship may be cancelled in any of the following cases;
   - If application documents are found incorrect or false.
   - If grantee shows poor academic performance
   - If grantee is deemed to be inappropriate for the scholarship award

(4) We do not respond to any inquiries regarding selection results.

(5) Please be careful that first monthly stipend for Spring Admission students will be paid in the end of April, and for Fall Admission students will be paid in the end of October.

(6) Monthly stipend will be paid on condition that scholars sign on the prescribed form once each month to confirm their attendance. If the scholar fails to sign within the month, the scholarship for that month will not be paid.

(7) As the scholar’s responsibility, a submission of an annual “Study Report” and proactive participation in events or activities for international exchange held at Meiji University is required. (If scholars fail to fulfill this responsibility, s/he may lose eligibility as scholar for the succeeding year.)

(8) Scholars may be required to apply for MEXT Scholarship if s/he meets the scholarship qualification.
