INSTRUCTION

<Step 1>

Please ensure that your statement clearly articulates your motivation for applying to this Graduate School, incorporating the following elements:

- (1) Issues or challenges you have identified through your professional experience and/or social activities
- (2) Your future career plan as a business professional
- (3) Your study plan and proposed research topic (i.e., the anticipated content of your master's thesis at this stage)

<Step 2>

Please prepare the document using word processing software. It should be written horizontally, formatted on A4-sized paper (portrait orientation), printed single-sided, and limited to 5–8 pages excluding the cover sheet.

Use a font size of 12 points. There are no restrictions on the number of characters or lines. The use of figures and tables is permitted. However, please ensure margins of approximately 3 cm on all sides of each page.

Arrange the pages with this form as the cover sheet, and fasten them at the upper left corner using a paper clip (staples are not permitted).

Please indicate the page numbering at the bottom center of each page (excluding the cover), using the format: page number / total number of pages.

Example: For the first page of an 8-page research proposal → (1/8)

Only documents prepared using word processing software will be accepted. Handwritten submissions are not permitted.
