■ Points to note in using services

a. Unavailability of service

- We are unable to provide service*1 for illnesses, injuries, or accidents not covered under your overseas travel insurance policy. The principal contingencies for which service*1 cannot be provided are the following:
 - Pre-existing illnesses or other illnesses incurred prior to the Liability Period
 - Medical treatment for pregnancy, childbirth, premature childbirth, miscarriage, illnesses arising from any of these, and infertility
 - Dental diseases
 - Injury due to suicidal behavior, criminal activity, or combat undertaken by the Insured Person
 - Injuries sustained in an accident when operating a vehicle while under the influence of alcohol or drugs or without a proper license (repatriation expenses will still be covered if the Insured Person sustains injuries due to a sudden and unexpected external event during the Liability Period or if the Insured Person dies during the Liability Period.)
- Service cannot be provided when the actual medical treatment expenses, repatriation expenses, etc., exceed the policy's insurance benefits or predetermined limits.
- Tokio Marine Nichido is not obliged to conclude contracts to provide services it offers, and may refuse to provide service based on its decision. Even service already being provided may be suspended or terminated.

b. Areas where service is inaccessible

Please note that service may be inaccessible in mountainous areas, on remote islands, and other locations far-removed from urban areas where means of communications and transport are unavailable.

c. Time needed until the start of service

Please note that extra time (or even extra days) may be needed until service can begin when communications/transportation traffic is particularly heavy at the time a request is received or at the location from which it is submitted. Please also keep in mind that waiting times may be long at some medical facilities.

d. Malpractice by medical facilities and traffic accidents

Please note that our Company cannot be held liable in any way for malpractice by medical facilities introduced by our Company or for traffic accidents involving transportation arranged by our Company.

e. Expenses to be paid out-of-pocket by the customer

- You will be required to pay out-of-pocket any medical treatment expenses, repatriation expenses, etc., incurred beyond the total amount or maximum limit of your policy's insurance benefits.
- Please be advised that: if it is determined that you are not eligible for insurance benefits from overseas travel insurance after you have made use of the service*1 based on your request, you will be required to pay all expenses out-of-pocket.

*1 Cashless medical service, medical interpretation during visits to medical facilities, repatriation of injured/ill persons, etc.

■ The case where expenses, such as those for prescription drug, were paid in advance out of pocket.
