Meiji University (English Track)

Form for full IB Diploma candidates only

Meiji University Predicted IB Grades Report Form

To the IB Coordinator / Guidance Counselor:

Applicants completing the IB Diploma Program may qualify for admission to Meiji University on the basis of their IB predicted grades including bonus points for the extended essay and the theory of knowledge. After completing the form, please **enclose it in a school envelope, officially seal and sign across the flap of envelope**. In addition, we would also appreciate it if you could arrange his/her IB final results to be sent to Meiji University through the IBO.
