Hello, everyone! My name is Arturo. I'm German-Mexican and lived in the United States for many years. When I first visited Japan, I went to a sushi restaurant and put green tea powder in my soy sauce because I thought it was wasabi powder. The sushi chef started screaming, "No! No! No! That's matcha!" It was hilarious and embarrassing, and it taught me how to eat sushi in Japan. Has something like that ever happened to you?
