VI. Feedbacks from the beginning of the program to the present

Please give us any feedbacks on the host university, your program, classes, dormitory, and your life abroad.

If you like to draw, I want to recommend 'Intro to Studio Art' class. The class time is longer than normal classes, but I am having a lot of fun. Also, Expressive art in education is also good for expressing my inner mind through art. Also, I want to suggest to take 'Live Theatre Experience' if you like to watch musicals or plays at the school or New York City. Also, ISU (International Student Union) is the best club for making international students. For residence hall, Ridgeview hall is the best, and Ashokan, Minnewaska, Esopus, and Lenepe halls are also good. I want to recommend you to request for being assigned to suite rather than corridor, because you can make more friends at the suite style hall than corridor style hall.

Please give some advice to the students who are willing to study abroad at the same host university in the future.

I chose here because I thought the university is close to New York city. However, it is not actually. You can still go to the city but it takes 1.5~2 hours for a single way. So, if you want to come here to go to the city frequently, you are making a wrong decision. But they have beautiful campus and town. I love the atmosphere of the campus and people here. I want to recommend to come here if you love nature and liberal atmosphere.
