

<Important Guideline for Students Life>

1. Illegal Drugs (Do Not Possess)

- In Japan, it is **illegal** to use dangerous drugs such as:
Methamphetamine, Cannabis (Marijuana), MDMA, Heroin, Cocaine,
and Paint Thinner (Inhalants), etc.
- In addition to **using** them, **NEVER** do any of the following:
 - **Possess** illegal drugs (You can be arrested just for having them.)
 - **Buy** illegal drugs
 - **Give** illegal drugs to others
 - **Receive** illegal drugs from others

<Important Guideline for Students Life>

⚠ Even if a drug is legal in your country, it is illegal in Japan and may lead to arrest.

⚠ If you use or possess illegal drugs, you may be arrested by the police and expelled from the university.

To protect your health and your future, **NEVER** get involved with drugs.

<Important Guideline for Students Life>

2. Drinking

- In Japan, you must be **20 years old** to drink alcohol. If you are **under 20**, do not drink alcohol.
- Drinking alcohol on streets or in parks may be prohibited by local laws or regulations in some areas. Please follow local rules.

<Important Guideline for Students Life>

3. Smoking

- In Japan, you must be **20 years old** to smoke.
If you are **under 20**, do not smoke.
- Smoke only in designated smoking areas.
- Do not litter cigarette butts on streets or in parks.

Please follow Japanese laws, rules, and customs.
Failure to do so may result in fines.
