Announcement of Discontinuation (Abolition) of the Internal-Screening Interview to apply for Scholarship Offered by Foundation

Regarding the subject matter of the title, the University have announced about conducting the Internal-Screening Interview in the spring semester 2018 in February 2nd due to the necessity of having the interview if students wish to apply scholarship offered by Foundations (University Recommendation-based Application). However, for the reasons such as 1.) Students are no longer eligible for applying scholarship if they miss the interviews 2.) Expect to increase application opportunities for international students and reduce the burden to prepare for the interviews and to focus on preparing for the foundation scholarship application forms, we will abolish the interview from AY2018. Besides, please note that only scholarships which closes from April 1st 2018 will be applicable by non-examinee of the interview.
