

# **Sustainability Short Course**

## **Feb 15 2026 – Mar 8 2026**

Join Griffith Business School's short course to gain practical skills, earn an international certificate, and explore Australia's stunning Gold Coast!

**Make it matter**

## Study Highlights

- Learn sustainable business & ethical leadership from Griffith University's world-class faculty in Australia.
- Gain practical, career-ready skills through interactive workshops, case studies, and industry insights.
- Earn an international program certificate to boost your global resume and future opportunities.

## Gold Coast fun in the sun

- Explore Australia's most famous coastal city – golden beaches, surf culture, and 300+ days of sunshine.
- Visiting Tamborine rainforest skywalk & western lookout, and the aboriginal cultural workshop.
- Try surfing lessons, wildlife encounters, and eco-business tours.
- Discover vibrant nightlife, cultural attractions, and colourful local markets.

## Why Join as an International Student?

- Combine world-class academic learning with an immersive Australian adventure.
- Join a multicultural community of students and network with industry professionals.
- Take home global friendships, practical skills, and unforgettable memories that will last a lifetime.
