

## Access procedure by “GakuNin”

If the description such as "GakuNin" is mentioned in the database, it means that the content is compatible with the academic authentication federation "GakuNin".

Follow the steps below to access from off-campus with “GakuNin”. Please note that the description may differ depending on the platform.

1. Open the site for the content you want to use, and click "Log in" or "Sign in" on the screen to open the login screen.
2. Select the display such as Institutional Login / Federated access / Sign in via your Institution / Access via Shibboleth.
3. If you are asked to select a federation, select "GakuNin Federation" (Japan).
4. Select a university name such as Meiji University/Meiji University/Meiji Daigaku, or search and display the university name, and log in.
5. The Meiji University integrated authentication page screen will be displayed. Enter your ID and password, click "Login" and select "Agree to send information".
