

# Learning Lounge TA's Introduction

**Tue** **Thu** **Fri** **13:00~15:00**

Name:

Hirotaka Goto

Hobbies: Not so much, but I like playing and/or listening to music, watching baseball games (used to play), and binge-watching on Netflix (can't wait to see Stranger Things coming back for season 5). I used to play Go (the Chinese board game).

Welcome, everyone! I'm a graduate student on the Mathematical Sciences track at AMS. During my undergraduate study, I have studied at Columbia University in the U.S. for a semester. I have also been to Taiwan and China, and I speak English and Japanese. I was working as a TA last semester in Meiji Intensive Language Program as well. Hope to see you soon!

riddle solving**

Hi, I've lived in foreign countries and studied abroad, so I'm interested in variety kinds of languages and cultures!

Also, I research English language education, so feel free to consult me about language studying or studying abroad!

Teaching Assistant at Learning Lounge can give you an advice or support you on various subjects !

- **Conversation Practice Matching (CPM)**

TA helps Japanese students who want to learn speaking English, and foreign students who want to learn speaking Japanese, to have conversation time together. For more details, please ask TA or Learning Lounge staff.

- **Foreign Language Learning Method**

TA can give you advice about ways and methods of studying foreign languages.

- **Tutoring in English and Japanese**

TA can consult you about paper writing or making presentation. Also, TA can be your language partner in Japanese or in English.

- **Study Abroad Consulting**

TA can help you to prepare your study abroad plan or to practice for your study abroad interview.

- **Learning Lounge's Comment Box**

We'd like to hear your opinion about language studying environment here at Learning Lounge. Please let us know what activities you'd like to have, which textbooks you'd recommend etc.

★ Feel free to ask TA about other things too.
