

Registration for Japanese language courses

1. Level of courses you can register

Refer to the level shown on the Japanese placement test system.

If you have obtained N1, you are automatically placed in Advanced level.

2. Registration method

For students in *Introductory to Pre-Advanced* level

- 1) Check "[Class Schedule](#)" and find your classes' schedules.
- 2) Log in to Oh-o! Meiji system, search for your classes using "Class Search", and click "Self Enrollment".
Make sure you self-enroll for both (General) and (Vocabulary & Kanji).
- 3) Attend the first class of (General) and (Vocabulary & Kanji).
- 4) Your registration will be completed in the first class.

For students in *Advanced* level (Academic Japanese for International Students / Academic Writing in Japanese)

- 1) Check "[Class Schedule](#)" and find your classes' schedules.
- 2) Log in to Oh-o! Meiji system, search for your classes using "Class Search", and click "Self Enrollment".
- 3) Attend the first class
- 4) Submit the registration form to the School Office by [April 17, 10:00 am].
Download the registration form from the orientation website.

JLPT Preparation courses

- 1) Check "[Class Schedule](#)" and find your classes' schedules.
- 2) Log in to Oh-o! Meiji system, search for your classes using "Class Search", and click "Self Enrollment".
- 3) Attend the first class(face-to-face)
- 4) Take a level check test. You can only register for the course if you are in the appropriate level. Your registration is complete in the first class.
* If you do not wish to register for the course after taking a level check test, please contact the professor in charge as soon as possible.

3. Note

- 1) Make sure you attend the first class.
- 2) You cannot register for the Japanese courses using a registration system.
- 3) Note that Self Enrollment is not an official method to register for courses. It is only a supplement method to join the first week of classes.
