

Science and Technology in Japan (June 23rd, 2020 - July 2nd, 2020)

Lecturer Profile and Brief Abstract of Lecture & Field Trip

Introduction to Japanese Culture	
Date: June 23rd	Lecturer: MIZUNO Makiko
<p>Abstract of Lecture:</p> <p>This class aims to offer participants opportunities to learn Japanese language and culture, before starting the subsequent sessions of the STJ program. First, we will look into the Japanese writing system to get a better picture of Japanese language. Second, I will introduce you some current trends in Japanese Art.</p> <p>Participants are expected to participate actively and creatively in the class.</p>	
	MIZUNO Makiko, Senior Assistant Professor of School of Science and Technology.
