

Q&A about Entrance Examination

Questions		Answers
1	My first language is not English, but my Master's program was conducted fully in English. Do I have to submit an English proficiency test score in this case?	Yes. Please submit it if your first language is not English.
2	Should I make contact with a professor of my hope before application?	Highly recommended but not compulsory. We recommend you to confirm whether your research theme matches a professor's research field and also to share your reseach plan with him/her in order to smoothly conduct an academic activity after the admission.
3	How can I make contact with a professor of my hope?	Please go to "Faculty" on our website and find his/her E-mail address. You may e-mail him/her directly.
