

Our 3rd i-meeting was held on Friday 10th July at Izumi-Campus hosted by Prof. Abe Taku and his seminar students. Miwa Oishi sensei played icebreaking activities called "TIBETAN PERSONALITY TEST" and "50 Questions for Intimacy", in which students discovered themselves and learnt how to express themselves in English as well as meet new friends in the same department. Participants also enjoyed the amazing range of delicious international food cooked by Prof. Abe and they all headed home with a bunch of smiles and laughs...!
